Shotgun Start: 12:00pm
Dinner: 6:00pm

Mission

For the past 50 years, the Kitchener-Conestoga Rotary Club has organized some of the region's longest-running and most successful fundraisers, distributing over \$15 million to community and international causes. In keeping with our club's unwavering commitment to community and international support, we are proud to announce that the 2026 KCRC Charity Classic will partner with **Food4Kids**, **Marillac Place**, and **Tumaini Children's Foundation**.

Food4Kids WR delivers nutritious food packages to children ages 1–14 living in severely food-insecure homes—on weekends, during school breaks, and in summer, 170 days a year, when school snack programs aren't available. Every child deserves the chance to grow, learn, and thrive. Today, Food4Kids serves 1,564 + children weekly.

Marillac Place provides 24/7 staffed transitional shelter and supportive services for women who are pregnant, parenting a child under two, or planning to parent and who are experiencing homelessness. Through our AfterCare program, we continue to support families as they move toward independent living in the community, helping mothers maintain stability and achieve their goals.

Tumaini Children's Foundation is a charitable, not-for-profit organization dedicated to the care, support, and education of orphaned and disadvantaged children in and around Usa River, Arusha, Tanzania. Through our children's home and community outreach programs, Tumaini provides access to education, healthcare, nutritious food, and compassionate, life-changing support that helps young people thrive and build brighter futures.

If you are unable to join us but still wish to support our charitable work, please [Click Here](#)
